Spring Edition

Bringing Interior Luxury to Outdoor Living

Established in 2016. Outdoor Interiors specialises in contemporary and unique outdoor homewares using fresh, modern colours and designs reflecting the Australian lifestyle.

We offer a luxurious range of Sunbrella® cushions, floor pillows, ottomans, bean bags and throws specifically designed to be used for all seasons.

Why choose ***Outdoor Interiors***?

We only use Sunbrella luxury outdoor performance fabric for all of our ranges.

Sunbrella is a 100% solution dyed acrylic fabric. During the solution-dyed acrylic yarn making process, colour is added to the acrylic fibres while they are still in a liquid state which gives the Sunbrella fabric long lasting colour.

Sunbrella fabric provides our customers with the long lasting, high quality and vibrant patterns you deserve that will stand the test of time. Sunbrella® is the most recognised and trusted name in performance fabrics for indoor and outdoor upholstery furniture.

All of our ranges are ready to ship immediately with all of our soft furnishings made in Adelaide, South Australia.

Why **Sunbrella**?
